MASS|DATA
DEFENSE CORPORATION

MASS DATA DEFENSE CORPORATION was founded in response to the rising number of data breaches to U.S. cyber systems. We are a data security one-stop shop, with a decade of experience deploying enterprise security solutions. We provide data security services, automation, and cost savings to enterprises and government agencies. We're also a certified reseller of the data security products we deploy.

PAST PERFORMANCE

Broadcom, Inc. TECHNOLOGY / GOVERNMENT / HEALTHCARE

Engineered data security automation to eliminate thousands of hours of manual effort in system classification and protection. Designed a self-service platform enabling asset owners to schedule compliance-driven updates for their virtual machines. Built custom dashboards to monitor vulnerabilities across 40K assets, and integrated external data sources to deliver mission-critical insights through a unified, real-time interface.

Celestica, Inc. MANUFACTURING

Deployed FIPS 140-2 Level 3 key management (mgmt.) and encryption solution to protect customers crown jewels across all clouds and data centers. Encrypted mission critical finance, aerospace and defense data. Built the enterprise encryption support program from the ground up.

Anthem, Inc. HEALTHCARE

Helped client to maintain HIPAA compliance across complex multi-cloud environment. Configured key mgmt., encryption, and tokenization solutions to protect apps, databases, file shares, and unstructured data.

Mastec, Inc. CRITICAL INFRASTRUCTURE

Helped to modernize the identity & access mgmt. environment. Designed and deployed virtual infrastructure, workflows, and self service tools to save customer thousands of hours in manual labor. Configured identity mgmt. and password mgmt. products to simplify user experience.

Thales USA, Inc. TECHNOLOGY / ALL

Deployed data protection and cloud security solutions, delivering onsite and remote professional services, to over 500 enterprises across the United States. Encrypted over one million assets while provided on the job training to the next generation of U.S. cybersecurity professionals.

CORE COMPETENCIES

- ✅ App, Database, and Web Security
- ✅ Cloud and Security Training
- ✅ Cloud Key Mgmt. & Secrets Mgmt.
- ✅ Digital Transformation
- ✅ Enterprise Infrastructure
- ✅ Enterprise Security Automation
- ✅ Filesystem Encryption & Key Mgmt.
- ✅ Identity & Access Mgmt.
- ✅ Vulnerability Threat Protection

DIFFERENTIATORS

- ✅ Post-Quantum Crypto Solutions
- ✅ FIPS 140-3 Level 3 Certified Tech
- ✅ Enterprises Secured › 500+
- ✅ Systems Encrypted › 1 Million+
- ✅ Cost Savings to Client › $2M+
- ✅ Expert Resource Access after Delivery between 30 - 60 days
- ✅ Largest Deployment › 50K+ Assets
- ✅ Hours of Work Saved › 16K Hours

COMPANY DATA

UEI Number:	WSNTRK75HNG6
Cage Code:	9LVF3
SBA Status:	Small Business
DUNS #:	109685047

NMSDC
Minority Business Enterprise (MBE)
CERTIFIED

NAICS Codes:

541511 - Custom Computer Programming
541512 - Computer Systems Designs
541519 - Other Computer Related Services
541690 - Other Technical Consulting
611420 - Computer Training Services
